## Navigator Management Partners, LLC

### 2008 Corporate Caring Award Recipients

Navigator Management Partners, LLC has been a contributor to the nonprofit community since our company's inception in 2001. This community connection is a guiding principle for Navigator. We are proud to be able to contribute to Nationwide Children's Hospital, The Ohio State University, Alvis House and Habitat for Humanity as well as the 23 other organizations we help support. These groups can attest to Navigator's long-term commitment and the quality of service our employees provide, with full support from Navigator. Commitment to community is one of the hallmarks of our company and we are proud of the relationships that we've built with so many outstanding organizations. We are awed by the work that they do, and so pleased that we are able to help.

***More than 30% of Navigator employees hold board positions in the Columbus area.***

*I would like to take this opportunity to applaud you for supporting your community and making philanthropy a priority for your company. For such a young company to be able to contribute in such a generous way tells me that we can expect great things from Navigator"*
